

The East Gippsland Photographic Society holds Workshops on the fourth Wednesday of every month, except in December.

We meet at the hall at the back of St Mary's church, Bairnsdale. Entrance is from Pyke Street.

The next workshop is on Wednesday, 25th September.

Be there at 7 pm for a 7:30 start, to say Hello to other members, help with setting up, and admire the displays.

In the spirit of exploring new boundaries and keeping an eye on what is happening in the evolving field of photography, the **next workshop** on 25th September does not disappoint. **Heather Prince from Geelong is the invited guest speaker.** Check out Heather's work on Altered Reality, Birds and Animals, Cities, Landscapes, Still Life and Flowers, to name a few: <https://www.redbubble.com/people/deerfield/portfolio>
